Satisfied ARI Customers

"You guys did an awesome job! We are speechless. Truck looks great, we love the viper blue color. ARI, you guys are the best. Special thanks to the sales team who went above and beyond, answered all of our questions (which were many) and helped walk us through building our very first big bunk sleeper. There is only one company that will ever build our custom sleepers, and ARI, you are that company. May God bless you all. Thank you!" - Tommy & Sandra Cannon

"Five star service and a five star product by five star people. We love our ARI sleeper and all of the people there too. Very rarely have I come across or done business with a company so centered around customer satisfaction. As far as I am concerned, there is only one custom sleeper company. That company is ARI." - AJ Van Harn

"ARI has the best customer service. I haven't had to call them much but when I do they walk me through whatever troubleshooting needs to be done." - Mike Hary

"ARI, hands down, has awesome customer service! And their hospitality is above reproach! They are a small shop but they make the best quality big bunk on the market, you get what you pay for." - Dennis & Sandra Johnson

"Going to an ARI sleeper was the best decision we ever made in the 34 years my wife and I have been trucking. You people are the best! Thanks! - David Wilmot
